Veteran's Day Tournament

Six on Six Tournament Rules

Unless otherwise specified below, all tournament matches will abide by FIFA Rules.

1. Field of Play

A. Dimensions. The field should be 40 to 50 yards wide and 60 to 70 yards long. This is the ideal size for 6 v 6 soccer. Fields should come as close to these dimensions as possible in order to insure that no team gains an advantage due to an oversized or undersized field.

B. Markings. The field of play should be distinctly marked with lines of not more than five (5) inches wide. The field is divided into two halves by a halfway line. The center mark is indicated at the midpoint of the halfway line. A circle with a radius of eight (8) yards is marked around it. A quarter circle with a radius of eighteen (18) inches from each corner flag will mark the corner arc.

C. Goal Area. A goal area is defined at each end of the field by two lines drawn at right angles to the goal line, six (6) yards from the inside of each goal post. These lines extend into the field of play for six (6) yards and are joined by a line drawn parallel with the goal line.

D. Penalty Area. A penalty area is defined at each end of the field by two lines drawn at right angles to the goal line, fourteen (14) yards from the inside of each goal post. These lines extend into the field of play for fourteen (14) yards and are joined by a line drawn parallel with the goal line.

E. Goals. Goals must be placed on the center of each goal line. Goals should have a minimum size of six (6) feet tall and twelve (12) feet wide.

All goals must be secured to the ground or weighted so as to maintain stability and minimize the risk of falling over.

A. Size. A **size four** (4) ball will be used for all matches.

B. Replacement. The ball may not be changed or replaced during the match without the permission of the referee.

3. Number of Players

A proper roster is one that has been approved by the home club, and has a valid signature on it and has listed on it the name and date of birth of every player playing in the game.

B. Players. A match is played by two teams, each consisting of not more than six (6) players, one of whom is the goalkeeper. **A match may not start, or continue, if either team consists of fewer than four (4) players who are able to play.**

C. Playing Time. It is **recommended** that each player should play a minimum of 40% (20 minutes) of the total playing time.

4. Coaches/Supervision

A. Coaches. Each team must have a designated head coach and may have up to two (2) assistant coaches.

If no such coach is present, or if the coach is ejected or leaves the game for other reasons, the referee may accept another person, but not a player, as the substitute coach.
